Hello Julia:

Lisa Taner forwarded me your contact information. In addition, I was corrected -- the meeting I attended on Wednesday evening was not the Planning Commission meeting but the General Plan meeting.

See below. Thank you.

I attended the City of San Mateo's Planning Commission Meeting on Wednesday, February 27, 2019.

Having reviewed the DRAFT Vision Statement after the meeting, I have the following comment regarding one phrase -- "..., is committed to equity,...."

What kind of equity? For example, residential equity? Equity in the sense of the word's definition, such as "being fair and impartial?"

Thank you,
