Subject: RE: List of all public attendees at GPU meetings

Hi Kohar,

Tim asked me to follow up here. Can you let us know who we should contact to try and get a list of participants? Separately, Tim is also trying to compile information about pending housing projects in the City's pipeline. We're aware of the info on the City's website and will be able to compile much of that information ourselves, but if you have a moment to discuss the methodology used in the latest booklet for the GPU we would very much appreciate it.

Many thanks,

Subject: List of all public attendees at GPU meetings

We are trying to construct a list of attendees to all non-hearing public meetings in the GPU process. I assume that you have maintained sign in lists from each. Could you make same available to us without the need for a PRA request?

Happy to discuss reasons for inquiry, if you are interested.

Thank you, in advance, for your help.
