

Dear Mayor Papan,

As a resident of San Mateo I am writing to ask you to support the study map developed as part of the San Mateo General Plan 2040 process (which maintains single family house zoning in San Mateo) and vote down the new alternative study being presented today which could result in R1 single family house zoning being eliminated in San Mateo. As a homeowner, this is a really important issue for me and my family.

Best,
Jack DePuy
