Subject: New message on Strive San Mateo

Name: David Hunt

Email: [REDACTED]

Message: I would love to see the City of San Mateo consider making an area of downtown walking only. Closing a portion of the downtown to cars would make San Mateo stand out on the peninsula as a progressive city that is focusing on livability. Currently when walking downtown I do not feel safe as a pedestrian and having an area of downtown car-free would increase safety and livability.
