**Subject:** New message on Strive San Mateo

Name: Megan Parker

Email: [REDACTED]

Message: Our family would like to see more quality restaurants (like Pausa & 31st Union) and fewer low-end Japanese/sushi/boba spots - we have plenty already! We would also like to see good retail and cafes (like Santa Cruz Ave in Menlo Park and Laurel Ave in San Carlos) and for B Street to feel like a safer area for teenagers to walk around (note the several incidents that have taken place near the CalTrain station).
