Subject: Strive San Mateo Agenda of topics for discussion on 03/29/19

Here you go. We will need an hour to cover all this.

1. Communications protocols
2. Vision statement – proposed revisions
3. Land use analysis/scenarios; followed by traffic
 - o housing demand (10K v. 15K)
 - o opportunity sites
 - o scenarios illustrated (Heller Manus study)
 - o scenarios applied citywide (TPD maps & stats)
 - o examples of key performance metrics (including VMT)
 - o traffic analysis
4. Status of and approach to Alternatives Workbook
5. Placeworks: revisions to scope
6. GPU schedule
7. P extension

My preference is that you invite the Placeworks project manager.

Hi Tim -

I'd like to know what we are discussing first then I will determine who from my team needs to be present and is available next Friday. Thanks.

Sounds great. What specifically do you want to discuss so I can determine who to invite from my team? Thanks.
