Thank you Ms. Dyer for your letter. I am copying our City Clerk to ensure that it is made a part of the record on this matter.

With best regards,  
Diane Papan

**Subject:** I support additional housing in San Mateo

I'm tired and dismayed at the poverty our housing prices are causing. We need more housing and I'm OK with duplexes and fourplexes on my street if it means our friends, service-employed neighbors and young adult children can continue to live here. I am a homeowner raised in San Mateo and raised my kids here. Please consider this a message of support for increasing our housing stock in San Mateo!
