Thank you for your communication. I am copying our City Clerk to ensure that it is made a part of the record on this matter.

With best regards,
Diane Papan

Subject: Re- Zoning Affordable Hosing

Council Members.....I have lived in San Mateo for 35 years and have observed the many changes in the landscape of our City. The incessant tearing down of neighborhood stores, iconic race track and the plans on the agenda for more demolition and re structuring for multi units etc. The lure of Developer \$\$\$ and incentives have overcome some common sense factors.....how more population and water usage is beneficial ? How traffic already a nightmare and now infiltrating quiet neighborhoods putting children and pets at risk, not to mention the time factor in getting from point A to point B....You are allowing "outsiders" to determine the quality of life in San Mateo. You are in essence erasing our past, demolishing our present and prepping us for an uncertain future of diminishing water resources and total gridlock. I urge you to take these factors into consideration before allowing "outsiders" to take control of the City of San Mateo.
