Thank you for your communication.

I am copying our City Clerk to ensure that it is made a part of the record on this matter.

Dear Mayor Papan:

I encourage you to endorse the study map for housing which keeps single family housing at the top of our priorities. This was developed after a collaborative process and should be highlighted.

I have lived in San Mateo for 28 years and want to see this wonderful place remain the gem that it is. I am currently out of state on vacation or would be at the meeting this evening.

Best regards,
Pam Mills Casey
