Thank you for your communication.

I am copying our City Clerk to ensure that it is made a part of the record on this matter.

With best regards,

Diane Papan

Subject: Support the "Study Map" in the San Mateo General Plan 2040

Dear Distinguished San Mateo Leaders -

I live at [REDACTED] with my wife and three young children. I am writing to ask you to support the "study map" developed as part of the San Mateo General Plan 2040 process (which maintains single family house zoning in San Mateo) and vote down the new alternative study map.

I, like many of my neighbors, believe in affordable housing, but the alternative study map marginally advances this objective while doing a great deal of harm to neighborhoods that are generations old.

Thank you for listening and for your service.
