---

Julia, thanks again to you, Kohar and your teams for all the analysis you shared in your Monday night General Plan Study Areas presentation. This is an important discussion San Mateo needs to continue to have, and facts are key if we are to find an ultimate consensus.

Two questions:

1) Will a copy of your and Kohar's presentation be made available to the public and, if so, when? I know that the session was videoed, but we (BOIA) have received several requests for the actual presentation since it was very difficult for many people in that crowded room to hear what you were saying. Thanks for sharing the presentation with me if you can.

2) Our Baywood Owners Improvement Association is holding our annual Baywood Social, Sunday, Sept. 15, 1pm-3pm at Baywood Elementary School. It's a fun time for neighbors to get together, enjoy Tin Pot ice cream, Wurst Hall sausages, face painting and get an update on what's important for Baywood. Neighborhood Watch will have a booth and the Library is sending Mateo, their mobile Library vehicle.

We thought it would be a great opportunity to do some type of pop up about the General Plan to educate Baywood residents (we typically have around 200 people show up) about the Plan and seek their input and participation in the process.

Could you arrange this? BOIA would be happy to work with you on this. Sophia Tseng (copied above) is our Board member leading the charge on this.

Thanks, Julia (and Kohar), for your efforts on behalf of San Mateo. We look forward to seeing you at the Baywood Social on Sept. 15th!
