Hi Ken,

Hope you are doing well.

As you may recall, the city hosted the first community meeting on the Range of Alternatives to study back in March 2020. The meeting series consisted of three community meetings/workshop; but we were only able to host one in 2020 and had to pause subsequent scheduled community meetings due to pandemic related Shelter in Place orders from the County.

On January 19, 2021, the City Council gave direction to resume community meetings and to do it safely due to the pandemic. Since that meeting city staff and consultants are working on scheduling and working on the logistics for hosting community meetings on the Range of Alternatives. We're looking at the dates in the coming months (March and April) to pick up where we left off in March 2020. Once we've confirmed the meeting dates, we will post the information on [www.StriveSanMateo.org](http://www.StriveSanMateo.org), and will send out an email blast to everyone who has signed up for email updates. We're also working on an online engagement tool as an alternative means of providing input, and also hope to release that soon.

If you are interested in reviewing the materials from the March 3, 2020 event, please see: <https://strivesanmateo.org/workshops-pop-up-events/>

Thanks for staying engaged, and please reach out if you have any questions.

Best,

Julia

Hi Julia,

Hope you are doing well.

Just wanted to check in on the status of the General Plan.

What is the next step and when do you expect something to come out for review and comments?

Thanks

Ken Abreu
