Hi Karen,

Correct, we are reviewing the draft land use alternatives and circulation alternatives separately. They are not linked and the discussions for the two topics will be independent. I hope that is helpful.

Thanks,
Linda

Hello Julia, Linda et all,

I have opened and saved/printed off much of what has been provided for tonight. Thanks you.

I have a question you could perhaps clarify for me, and everyone, before the group goes into the breakout groups. I have the already set (development) Alternative Scenarios A, B and C. I also have the Circulation Alternatives A, B, and C. I am assuming that the duplication in naming does not indicate that preferring development alternate B, for example, means that a person has to prefer circulation alternative B. In other words, are the two groups linked by their titles, or are they independent? If independent, perhaps the circulation choices could be named using a different means (1, 2, 3 or II, II, III, or even J, K, L or some such)

Didn't want to take the group's time with this question during the meeting itself. .

Thanks.

Karen Herrel

Hi Karen,

All registrants should receive an email with the Zoom link and workshop materials shortly today from our consultants. Thanks for your patience.

Best,
Linda

Hello Julia et al,

I have signed up for this Thursday's workshop but have yet to receive more than the Eventbrite confirmation # for my "ticket order". When should I expect an email with the Zoom link for actual sign in? (I checked with another person who signed up and they have no information, either. So I'm guessing it has yet to be sent out?)

Thanks.

Karen Herrel
