[REDACTED] input. This is about Zone 6. Please invest in Open Space and hike/bike paths in this area. The beauty and nature there is really appreciated by us residents of SM. There has already been considerable home and commercial additions to that Zone. Please halt the concrete buildings and add more parks and trails. Additionally, please do not allow cars to pass from 26th to Campus Drive and install only a bike/pedestrian path. Please consider having a bike/hiking trail that goes through that area and a pedestrian/bike overpass over 92 connecting SMC to campus drive area and Zone 6. Thank you!
