Hello,

**Signal/Utility Boxes:**

I would like to recommend that SM join the other cities and paint the "signal boxes" with creative art work tied to a San Mateo theme or just general colorful art work.

San Carlos and Belmont have had their ugly utility boxes painted with birds, dogs, planes, flowers etc. San Mateo needs to jump on board too.

**Bike lanes:**

Old county road is very busy with cars and bikes. The road is uneven and dangerous for bikes. The bike lane is faded and almost non-existent from Ralston Ave south and north on Old County and Pacific to Hillsdale overpass. You barely have enough room to ride along the "striped bike lane area" northbound riding parallel to the train fence on Pacific stretch (San Mateo)..
