Thanks Linda

The other item for suggestion is that I see in Foster City they have a digital sign highlighting upcoming events in FC for their residents. Perhaps we could have something discrete somewhere on El Camino upon entering SM city providing events etc for SM. Welcome folks to our city.

Message: When will San Mateo come on board with painting signal boxes with fun colorful art ?
Other cities like Belmont and San Carlos have done this to their boxes and it is a real asset.

Bike lanes - Bike lanes along Pacific blvd. from the old Hillsdale train station (San Mateo) up to Ralston Ave (Belmont)south bound and north bound are unkept. The lane stripping is no longer visible, the road is rough and unsafe for maintaining control while riding the bikes.
