Subject: New message on Strive San Mateo

Name: Nancy Schneider

Email: [REDACTED]

Message: I have been following the General Plan process from the beginning and have attending the workshops and most if not all of the sub-committee meetings including the most recent on June 17.

I agree with Deputy Mayor Bonilla that the Study Areas are too small. I do not think that all the R-1 neighborhoods should be excluded from new development. This is perpetuating unequitable development of the City.

Please look into expanding the existing study areas to at the least consider all parcels that are within a 1/2 mile of the train stations.

Thank you for your consideration
