Subject: City of San Mateo growth alternatives

Dear Members,

My alternative for growth is not listed, m\y choice is 0 growth until California has a stable drinking water supply.

Maybe you can explain to me why we need to increase our population, do we really want to make San Mateo resemble a city in a third world country

As ugly as it is, I'll vote for alternative A.

Also, only citizens of the city of San Mateo should have a voice in this matter,

Thank you for your attention,
