Subject: "A" -Growth Alternative wanted for City of San Mateo

Honorable Planning Commissioners & City Council:

Alternative A is best for our city. Please consider that from 1980 to now the City of San Mateo I believe has had only a 33% population increase. We truly do not have the infrastructure to handle the 30% increase in Alternative A. Please consider the negative impacts of greater growth to our quality of life when selecting our future growth.

Thank you for your service and kind consideration.
Sincerely, Jean Dail
