**Dear Planning Commissioners / Department,**

**My wife and I wish to go on record as firmly supporting growth Measure A.**

**It is legitimately questionable even under the best circumstances that we could provide the future infrastructure needs for that much expansion.**

**In our research, the other two alternatives B and C would in the long term be disastrous.**

**Should you have any questions or concerns, please feel free to contact us.**

**Thank you very much.**

**Sincerely,**

**Gary and Janet Germano**
