Subject: Please Support Alternative A (General Plan Growth Option)

Dear San Mateo City Council Members,

As my elected representatives of the City of San Mateo, I ask you to please select **Alternative A** when deciding what kind of growth to consider in the General Plan. Alternative A will result in the least impact on our community in terms of traffic, congestion, parking, water use (increasingly of critical importance as the drought worsens), noise pollution, and simply the overall quality of life our City is known for.

As a resident and homeowner of San Mateo since 1991, I want to ensure my input is heard and considered. Please include this in the record of public comment for tonight's meeting. Thank you so much.

Yours truly,

Lisa Vande Voorde
