Subject: Highway 92

Hello,

I am your neighbor at [REDACTED] in San Mateo. I am so appreciative of all the work that you are doing and the general plan for the city of san mateo. I grew up in San Mateo and I am so grateful to call this city home. My backyard as well as all of the other houses on Spuraway and down edinburgh back up to highway 92. The highway is incredibly loud and can be dangerous at times as the cars are not that far away from our back yard. Are there any plans in the future to add some type of noise/retaining wall to this small area of highway?

Thank yoU!
