Message: Your mailer on the general plan states "the general plan team will reach out to communities in San Mateo where health and well-being are harmed by inequities to ask about the needs and priorities of those residents". How about having the general plan team reach out to the communities that are paying the bulk of the taxes? We are paying your salary and you should be listening to us, the tax payers! Your " Environmental Justice" plan stinks of woke ideology. If you listen to the people who are paying the taxes you might actually hear that there are people who do not support these socialist programs you are pushing.
