Subject: New message on Strive San Mateo

Message: Ronald Reagan once said that if fascism ever comes to America it'll come in the name of liberalism, (ie. socialism). That's what I see when I hear the terms social justice, environmental justice, etc...

Funding and organizing the radical left wing since day one are the central banking oligarchs. They are fascists/neo-feudalists using socialist dupes and socialist policies to consolidate political and economic power.

The central banking oligarchs are implementing their new/one world order agenda at the local, state, national and international level using ignorant and corrupt political hacks like the person reading this message.

PS. CO2/plant food does not drive global temperatures, never has, never will. The CO2/plant food scare is an oligarch scam.
