Subject: New message on Strive San Mateo

Name: Sue Papilion

Email: [REDACTED]

Message: Received literature on plan participation which said take survey and I see the survey is over? Either I got literature late 7/20/22 or you got your wires crossed. I think far too often committees assume everything runs as fast as their decisions and the public is a pain anyway because you only hear the negative from them. Well I'd like to be positive about growth and you needed my input as a renter!
