Subject: New message on Strive San Mateo

Name: jim tilton

Email: [REDACTED]

Message: It does not matter how much affordable housing you build there will always be a need for more. If enough of the elites can not find and hire the help they need to maintain there lawns and teach in the schools then the desirability of the are will decrease and people will be able to afford housing. Building high density housing on every available inch is clearly not the answer. . .
