Subject: New message on Strive San Mateo

Name: Violeta

Email: [REDACTED]

Message: I just got your flyer. While you talk about reshaping the city and talk about development and growth -so far I've only seen the construction of offices and housing but have not heard or read ANYTHING about building new schools considering the amount of people these new housing will bring to the city. Are you going to build new schools? or does development only means property taxes the city will collect without considering that more families mean even bigger class sizes in our already crammed schools?
