Message: you guys are ruining San Mateo with the continued construction of more, and more, and more high density housing. where is it written that San Mateo needs to be the next New York City? Stop already. We dont have enough water now. Where will the water come from for all these hundreds of new units? Why is it nobody is talking about that? Just stop. I dont care what the State says. How about listening to your residents for a change, especially your long time residents. San Mateo used to be so very nice. Now, its pretty much urban sprawl. we dont need it, dont want it.
