Subject: Noise from the rail road

Hello,
it seems like the issue of the train signal/noise will never be resolved. Can you revisit this problem and think better about what can be done to minimize the torture? There are a lot of people who are affected, elderly and children included who lack sleep and rest because of the noise. My heart goes to the people who live in close proximity to the rails and I would be mentally broken from having this nuisance 24/7 (except for a few hours at night).
I hope you will include the conversation (at least) in your plan and will try to improve our lives.

Thank you,
