Message: Infrastructure is important for each city and San Mateo is not an exception. I have recently moved to SM from the South Bay and noticed right away how in bad shape the city was, especially North San Mateo. Yes, it's an unprivileged people's area and you can see it once you cross the 4th Ave. Roads are crumbling, and sidewalks pose immediate hazards. Trash is everywhere and is not being regulated. (Owners and landlords must follow the rules and keep their properties and around them neat). I believe San Mateo can do better and care about their citizens, and the conditions they live in. Just drive/walk along Grant street and you will see the neglect (by the city). It screams "Oh, it will do for them, they are used to these conditions". Please change your attitude and make the area as nice as other streets. Thank you
