Subject: Support Measure Y and Residents' Wishes

Dear Council Members

March 6, 2023

The voice of the people has spoken when they passed Measure Y – to restrict the height of the buildings to 55 feet. San Mateo is a lovely town that should not emulate the misguided hodge podge of Redwood City. We need to keep the integrity of our town and listen to the residents. Please continue to support **Measure Y**.

Thank you.

Shirley Melnicoe

Resident of San Mateo
