Subject: 25th Ave.Proposal

Dear Neighborhood Council Member, Adam Lorraine and all other Council Members, We are quite distressed to learn of the Proposed General Plan Land Use and Heights for our 25th Avenue Area. It seems very odd that nobody has contacted the neighbors(who would be directly affected by this drastic change in our neighborhood) about the proposal to override Measure Y. Now, just two days before the proposal will be brought up at a City Council Meeting, a kind neighbor has told us about this proposal. Why were we not notified about this proposal and that it will be discussed without proper notice? It is very wrong of the City Council not to keep their constituents aware of what they are planning for our neighborhood,

Therefore, please table discussion on this proposal until neighbors on 22nd, 23rd, 24th, 25th, 26th, 27th, Buena Vista and Isabelle Avenues; Flores, Garfield, Edison and Hacienda Streets; Portola Drive; Delmar Way; Mary Lu and LuluBelle Lanes and 26th Place have been thoroughly informed about this proposed change to their neighborhood.

Thank you for your consideration. With great concern, Leo and Joyce Burns
