**Subject:** PROPOSED GENERAL PLAN LAND USE AND HEIGHTS – 25TH AVE AREA

Hi Adam,

I was born and raised in Redwood City. I went to high school at Junipero Serra and currently live on West 25th ave. Having a massive building unit at the church parking lot would create a parking nightmare! Look at the Hillsdale Mall area and the amount of parking needed for the apartments. It's over crowded day and night. There's a reason why we left the over crowded area and moved to 25th avenue. I am happy with the shops on 25th and do not see the benefit from evicting small business owners. Please rethink this plan, before making your decision. Thank you.
