**Subject:** 25th Ave Draft GP

Mayor and Council Members,

I am a small business owner on 25th Ave and I oppose the heights and densities on the draft GP. I am worried I will lose my business and not be able afford the rent at a new building. I wish the City had reached out to the business owners on 25th. The construction across the street is already affecting my business with all the construction noise, parking and traffic. Please help keep small businesses in business.

Thank you

Jenny Li
