**RE: April 3, 2023 San Mateo City Council Meeting  
Agenda Item 16: General Plan Update – Review City Council Direction on Land Use  
Heights and Densities and Measure Y**

Mayor Lee, Deputy Mayor Diaz Nash, Councilmembers Hedges, Newsom Jr., and Loraine:

At tonight's City Council meeting, please re-confirm your intentions from the March 6, 2023 City Council Study Session regarding height and density ranges within the General Plan Update; which you subsequently confirmed on March 20, 2023 when you approved the minutes from the March 6, 2023 City Council meeting.

Specifically, you removed the Residential and Mixed Use High 2 (H2) classification from Land Use Options in the General Plan Update.

How many times do the registered voters in the City of San Mateo have to express their desire to NOT see 12-story buildings in our town?

Thank you for listening.

Sincerely,

*Dianne R Whitaker*
