Subject: New message on Strive San Mateo

Name: Sharon Savatski

Email: s [REDACTED]

Message: 1. I lived at Woodlake for 19 years. That is a good model for housing density while still maintaining a vibrant and comfortable neighborhood. 2. If you are going to allow more apartments on San Mateo Dr. near Peninsula, get rid of Ducky's (which has become a noise nuisance recently) and the vacant auto dealer next to Ducky's and build housing in those spots. This neighborhood (State Street area) has already been adversely affected by the 888 Peninsula building. Parking on San Mateo Dr. has been taken over by residents there and as a result, the automotive businesses nearby have taken to parking a lot of the cars lined up for work on State and San Mateo Drive. Don't try to cram any more highrises in this area.
