Subject: [Konveio Inquiry] Bike commuting

Sean ([REDACTED]) a message using the contact form at <https://strivesanmateo.konveio.com/contact>.

Thank you for the incredible work to improve our bike infrastructure. One frustration I have as a daily bike commuter is the sharrows are bike routes when in fact they do not help safety nor encourage bike riding. Drivers do not respect sharrows and get frustrated with bike riders. I have been honked at and nearly hit many times when riding on a sharrowed road. Please consider bike lanes at a minimum to be requirements for true bike routes. Please continue the bike lane on Alameda de las Pulgas southbound to at least 26th or Beresford park or even better the entirety of Alameda de las Pulgas.
