Subject: Failure of Draft General Plan EIR

All,

The enormity of detail in the General Plan Update and process is enough to spin heads, and the average resident would need to play a lot of catch up to understand some of the greater points, much less the finer ones. While staff has done a tremendous amount of work, and there has been an endeavor to work with the community, it is a glaring failure to note the limited options of only 'maximum growth' or 'no growth' as presently reflected in the Draft EIR.

The residents have been clear in their desire to have **moderate** growth in their city, and if this failure was known more widely, there would be a clamoring of upset folks knocking on your doors. There is time to rectify this. Please return to the drawing board and ensure that more options are fleshed out to incorporate the wishes of your taxpayers.

Sincerely,

Lisa Taner
