

HERITAGE TREE / CANOPY PRESERVATION

A 300-YEAR OLD HEALTHY
TREE ON AMHERST WAS
KILLED AND CUT DOWN IN
EARLY 2023. THIS LOSS
SHOWS A MASSIVE FLAW
IN CURRENT REGS.

Thank you for holding
this event, answering
questions on the direction
of this city's progress!

Bonin

Getting isolated seniors
to group walks.

- Transportation
- Social connection
- Exercise / health

I work w/ isolated seniors
through Peninsula Family
Service as a volunteer.

Young Voter Here,
More Buses please,
it will ~~cut~~ cut down
on traffic. ~~etc~~

Also, More Cellular
Coverage - MJH

COMPLETE
STREETS - WIDENING
SIDEWALKS
REMOVES PARKING
YOU AREN'T
LISTENING TO
US

BIKE LANES
OVER DONE -

BE MORE EQUITABLE
THEY DON'T OWN THE
STREETS - MAJOR
NEGATIVE IMPACT ON
OUR LIVES FOR PARKING
(FIND NOT HAVING PARKING IN APTS =
MORE CARS IMPACTING BIKES

- housing locations is
related to sea level
rise - consider denser
close to downtown
including in R-1
- how do state laws
affect land use -
not included

FYI, these ~~are~~ lighter
tan post - its are all from
one woman, so might want
to count them ~~as~~ as one
comment - MJH

Safe transit for
Seniors

more bicycle
friendly roads

Have a
Separate climate
crisis
and
climate justice
element

The County of Sh
did that

Robert

YES!
+

Gateway Park

Between

1st + 3rd Ave.

- Floods due to creek
- workers live in park
- for housing
- No restrooms for children park
- Considered small park therefore is not on Parks + Recreation agenda

Diana Pettit
(650) 2456180

TALLER BUILDINGS ARE
OK IF:

PARKING IS INCLUDED

NO "LIMITED" SPACES

AT LEAST 1 PER UNIT -

JAMMED STREET PARKING IS
UNACCEPTABLE

ALSO - A LIMITED # OF
10-12 STORIES - NO TOWERING
OVERWHELMING CROWDS

SAVE SOME COMMUNITY
SPACE - YOU ARE DESTROYING A
DOWNTOWN EXPERIENCE - DRAGERS,
ETC. BEST - A WASTE

- More emphasis on climate
 - No new historic district
 - More housing in R-1 neighborhoods
 - 6-12 stories allowed in ^{High} Res II & high mixed use
- Equity & more affordable housing
Nancy

Re: housing part
of the plan:
I support more
density in single-
family zoned
neighborhoods.
We need more housing
in every neighborhood.

How is the city going
to encourage
electrifying buildings?

① What is the occupancy rate for the units that have just been built Trags and other spots? We can't keep building if the units aren't

Building more housing is great, but need more emphasis on parking, parks, open space, commercial, services and sports facilities. No one wants to live where there is only housing.

TOO MANY STUDIO-1 BEDROOMS IN NEW DEVELOPMENTS- TRAGGS-DRAGERS-

NEED MORE 2 & 3 BEDROOMS FOR FAMILIES & WORK FROM HOME
CAUTION-FUTURE GHETTOS
RE: NO FAMILIES

PEOPLE DEMANDING BIKE LANES DON'T LIVE IN NEIGHBORHOODS IMPACTED BY PARKING LOSS
NEIGHBORHOOD IMPACT SHOULD BE A PRIORITY OVER BIKE LANE DEMANDS.

GROCERY STORES! NEED A TRAGGS OR DRAGERS -

A 13000 sq ft T-11 is NOT A REPLACEMENT. TAKING AWAY SMALL DOWNTOWN BUSINESS LOSSES- FISH MARKET -

NEED MORE
BIKE LANES
GROCERY STORES
STORM/SANDBAG
DISTRIBUTION
POINTS

What can we do about the new "SPIN" bicycles being left all over San Mateo Park

How can we make it safer for kids to be riding their bikes/bikes - it's hard to put the burden on 12 yr old boys!

Not enough emphasis
on planting both
public and private
trees or protecting
existing trees --
especially heritage trees

this is a major environmental
issue for cities, and
pressure for infill building
exacerbates it.

① How can we
ensure
Safety
at the BART
Station / Cal Train?
Residents feel
unsafe.

② Are we hiring more
police officers?

What are plans
for Affordable
housing?

More
affordable
Housing

>100% AMI

GATEWAYS Common
CONDOS 3RD Fremont / 2ND
221 S. Fremont S. Fremont
211 S. Fremont

- 30 yr Building
 - 1st Time home ownership
for 30 years
 - Building needs city
to be active in
redeveloping condos/
building for low income
families
 - No ADA accessible
to elevators - STAIRWAY
NOT accessible
