Subject: survey on building heights

- I am a resident of San Mateo. Own a storefront business in San Mateo
- I am discouraged (dismayed, troubled, etc) I couldn't participate in the building heights survey.
- District 5 (our district) is far more impacted by taller buildings than other districts
- I support residential building heights of 2 stories.
- I do not support buildings that are predominantly non-residential exceeding 5 stories or Measure Y limits in height.
- I also advocate for the preservation of single-family home neighborhoods, along with small businesses and retail.
- I do not support additional housing units beyond what is required by the State
- The DEIR should have looked at a moderated option, not just the maximum development.
- I am concerned about how services and infrastructure for all the new development will be paid for.

Thank you,
Margaret Spicer
