Subject: General Plan Disapproval

Dear City Council:

Please respect the San Mateo citizens who voted to limit building heights in San Mateo and reject: Medium II (4-6 stories allowed; 8-12 with density bonuses), High I (5-8 stories; 10-16 with bonuses), and High II (6-10 stories allowed; 12-20 with bonuses) for both residential and mixed use designations in the General Plan land use section.

The General Plan and EIR should not be approved until the new density bonus law is addressed in the Land Use Element and Housing Element of the General Plan and the EIR.

The citizens voted three times to limit height and density, and the recent survey showed little support for 10+ story buildings.

Please limit the allowable stories to Measure Y levels.

Sincerely,

Sally Carnevale  
San Mateo resident
